Community Benefits

- Increase the number and diversity of social opportunities for gay/bisexual men.
- Create new venues and activities for gay/bisexual men.
- Welcome all local young gay/bisexual men.
- Increase interactions and community building between various segments and groups within the gay community.
- Support businesses friendly to gay/bisexual men.
- Provide opportunities for other community groups and businesses to demonstrate their support and connection to the gay/bisexual community.
- Build a stronger, inclusive, healthy and visible gay community.
